The West Texas United Sockers PDL team and Youth Club are proud to be partnered with Midland Soccer Association and Odessa Soccer Association. These three organizations are working together with one goal in mind: to make the overall soccer experience for all West Texas kids and families the best it can be. The “bigger picture” that representatives of MSA, OSA, and the Sockers see for all West Texans is one that includes local non-profit organizations working together with the goal of having the lowest dues and best soccer value of any recreational program or competitive club in West Texas.
